

Hi Jim, Thank you for your past business. At Ken Ganley Kia, repeat customers are our priority. According to Kia, you have exceptional equity in your current vehicle so with your trade-in we should be able to keep your payments at or below your current budget – depending on the vehicle you desire. We have truckloads of inventory to view! Visit and receive a free \$20 Amazon gift when you use our Reward Calendar below. In the meantime, if there are any questions I can answer – please call me at 440-953-1000.
