

Hello Jim,

Thank you for leasing your vehicle with ABC Toyota. It looks like your lease will be maturing soon.

For a smooth transition to keep or replace your lease vehicle, let's plan a meeting using our Reward Appointment Calendar. Enter your preferred date and time and click submit to receive your appointment confirmation – it's that easy. Plus, you will receive a \$20 Amazon reward – no purchase required!

In the meantime, if there are any questions I can answer for you right now regarding replacement vehicle availability, incentives, or lease specials, feel free to call me at 440-953-1000.

I look forward to our continued correspondence.

Thanks again!
